Mechanical Transport Garage, Blackdown Camp, near Aldershot, for War Department, entirely covered with **CELLACTITE**.

PERMANENT ROOFING AND VERTICAL COVER

CELLACTITE Sheets are supplied in four gauges to meet every requirement for ROOFS and VERTICAL COVER. The natural colour is black, but we also supply Coloured CELLACTITE (Green, Russet and Aluminium) in two finishes, Plain and "Varytone" (rough grained surface). "Varytone" Cellactite is also available in three parti-colours, "Verdure," "Camouflage," and "Shadow." Full details are given in our Catalogue, a copy of which will gladly be sent to any Specifying Authority.

CELLACTITE offers you new economy for roofing or vertical cover. Moderate in cost, cheap and simple to erect, CELLACTITE is light, resilient and a fine heat insulator.

Because of its resistance to any climate or corrosive atmospheric conditions, Governments, Municipal Authorities, Gas Undertakings, Railways, and large industrial concerns all over the world are buying increasing quantities of CELLACTITE.

Remember CELLACTITE gives permanent protection. It needs no painting. The first cost is the last. May we send you our reference Catalogue including also details of our new Ventilator?

† The Special Class of Clerks (Clerks, "S" Class) was instituted, under the terms of Treasury Circular Letter No. 15/32, dated 27th September, 1932, as the result of the recommendations of the Temporary Staff's Committee appointed to consider various matters arising out of the Report of the Royal Commission on the Civil Service (1929-31). It comprises those members of the "P" Class (set up in 1925 to afford security of tenure to certain ex-service temporary clerks) and those temporary clerks who satisfy certain conditions laid down in the above-quoted Treasury Circular Letter.

And whereas it is expedient that so much of the aforesaid Orders as is now in force should be consolidated, with certain amendments, into one Order in Council.

1. Now, therefore, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that, as from the date of this Order, so much of the aforesaid Orders as is now in force shall be repealed, and that the provisions following shall have effect in substitution for them :—

13. Attendance Books shall be kept in every Department for the purpose of recording the times of arrival and departure of persons employed therein.

Retirement shall be compulsory for every officer on attaining sixty-five years of age. (2.) ORDER IN COUNCIL OF 22ND MARCH, 1918.

WHEREAS by an Order in Council, dated the 10th January, 1910, and known generally as the Civil Service (Consolidating) Order in Council, 1910, and hereinafter referred to as the "Principal Order," it is provided that, with certain provisions and exceptions, the qualifications of all such persons as may seek or be proposed for appointment to any situation or employment in any of His Majesty's Civil Establishments shall, before they are so appointed, be tested by or under the directions of the Civil Service Commissioners; and that no person (save as excepted thereby) shall be appointed to any such Establishment until a Certificate of his qualification shall have been issued by the Civil Service Commissioners declaring that he has satisfied them, among other things, that he is free from any physical defect or disease which would be likely to interfere with the proper discharge of his duties.

And whereas it is expedient that the said requirement should be modified with respect to persons whose health has been impaired by reason of service in His Majesty's Forces in the present War:

NOW, THEREFORE, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, as follows:—

1. This Order shall apply only to persons whose health has been impaired by reason of service in His Majesty's Forces during the present War.

2. Subject to the conditions as to age, character, and knowledge and ability, prescribed by Clause 3 of the Principal Order being satisfied, the Civil Service Commissioners may issue Certificates of qualification in favour of persons to whom this Order applies if the Commissioners are satisfied

18. An annual increment of salary shall not be allowed to any officer at the date at which it would in ordinary course become due without a certificate from his immediate superior, countersigned by the Head of the Department, or such person as he may designate for the purpose, to the effect that the service of such officer during the year preceding the date of such certificate has been approved.

Provided that, if, at the date when the increment would in ordinary course become due, the certificate cannot be given, the Head of the Department may specify a period from the expiration of which, if the officer's service in the meanwhile has been approved, the increment may be allowed, and may from time to time extend the period so fixed. If the officer's service after the grant of the deferred increment shall continue satisfactory, the Head of the Department may, if and when he thinks fit, increase the salary to an amount not exceeding that at which it would have stood if no increment had been withheld or deferred. Every such increase shall be reported to the Comptroller and Auditor-General.

19. Repealed as from 1st February, 1920, by Regulations made by the Treasury under Article 6 of the Order in Council of 22nd July, 1920. (See page 154.)

that they are at the moment fit to discharge the duties of the situation or employment which they seek or to which they are proposed for appointment, and that they are likely to render effective service for 15 years, or, in the case of persons already serving in unestablished positions which lead in the normal course to establishment, for 10 years.

The certificate issued under this Clause shall be known as a "Modified (War) Certificate," but shall, subject to the provisions of this Order as to sick leave, for all purposes have the same force and effect as a certificate issued under Clause 3 of the Principal Order.

3. In the application to the case of Officers holding Modified (War) Certificates of the sick leave rules laid down in Clause 19 of the Principal Order the following modification shall be made, that for the first five years of service after the date of the certificate any civil pay allowed during sick leave in excess of 36 week days in the aggregate in any year shall be reduced to such amount as, with any pension or retired pay and allowances payable by the Ministry of Pensions in respect of the period of sick leave, will not exceed the full civil pay of the office in respect of that period.*

Provided that in the case of an Officer who, if he had retired on the ground of ill-health at the commencement of the period of sick leave, would have been qualified for a pension, if the amount of the reduced civil pay during sick leave is less than the pension which, if he had so retired, would have been payable to him in respect of the period of sick leave, it may, with the consent of the

* Regulations made by the Treasury on 30th November, 1922, under Article 6 of the Order in Council of 22nd July, 1920, had the effect of amending this paragraph by the substitution of "three months" for "36 week days." The provisions of this paragraph, as so amended, were subsequently incorporated in sub-paragraph (iv) of paragraph 1 of the Regulations dated 6th June, 1929, made by the Treasury (see page 154), which regulations repealed this article and the amending regulations of 30th November, 1922.

Treasury, be increased to an amount not exceeding the amount of such pension.

4. Where the Civil Service Commissioners are unable to decide whether a person is or is not likely to render effective service for 15 or 10 years, as the case may be, they may, if they think fit, issue in such person's favour a "Special Recommendation" under which he may be employed for such period to be specified in the recommendation as the Commissioners may, subject to any regulations made by them, think fit, but the issue of such a recommendation will not entitle a person to be regarded as a "Civil Servant" within the meaning of Section 12 of the Superannuation Act, 1887.

At the end of the period fixed by the recommendation the Commissioners will reconsider the case, and, if they are satisfied that the conditions enabling them to grant a Modified (War) Certificate are fulfilled, they shall grant such a certificate, and if not so satisfied they may either extend the period of the special recommendation or terminate it, in which case the officer will cease to be employed in an office to which Part I. of the Principal Order applies.

In determining whether a Modified (War) Certificate can be granted in favour of an Officer

in whose favour a special recommendation has been issued the periods of 15 and 10 years' effective service respectively mentioned in Clause 2 of this Order shall be reckoned as from the beginning of service under the special recommendation.

5. Clauses 2 to 4 of this Order shall not apply to persons whose health has been impaired by reason of service in His Majesty's Forces during the present War and who, being already in possession of a Civil Service Certificate in respect of a pensionable office, are appointed to an office not in the ordinary course of promotion in the same Department. In such a case the Civil Service Commissioners may issue a certificate (which shall be required as heretofore) notwithstanding that the condition as to freedom from physical defect or disease specified in Clause 3 of the Principal Order is not satisfied, if the Officer is certified by the Head of his Department to be fit for the duties of his existing office.

Provided that, if the office to which he is to be appointed is one which appears to the Head of the Department concerned and to the Commissioners to be such as to require special physical qualifications, the Officer must satisfy the Commissioners that he possesses those qualifications.

3. Provided that exceptions may be made to regulations 1 and 2 (a) above, on the recommendation of the head of the Department, if the Civil Service Commissioners and the Treasury (in cases of recruitment), and the Treasury (in case of an officer already holding an established position) are satisfied that it is in the interests of the Public Service that such exception shall be made.

(11.) GENERAL REGULATIONS RESPECTING APPOINTMENT TO HIS MAJESTY'S CIVIL ESTABLISHMENTS UNDER THE ORDER IN COUNCIL OF 22ND JULY, 1920.

(Operative as from 1st May, 1923.)

N.B.—These Regulations are liable to alteration at any time.

WHEREAS by Order in Council (hereinafter referred to as a "Principal Order") dated 22nd July, 1920, it is provided that (subject to the exception therein mentioned) the qualifications of all persons proposed to be appointed whether permanently or temporarily to any situation or employment in any of His Majesty's Civil Establishments, shall before they are appointed be approved by the Civil Service Commissioners, and no person shall be so appointed until a certificate of his qualification has been issued by the Commissioners;

And whereas it is provided by Clause 4 of the Principal Order that the Commissioners may, subject to the approval of the Treasury, make regulations prescribing the manner in which persons are to be admitted to His Majesty's Civil Establishments or to any situation or class of situations therein, and the conditions on which the Commissioners may issue certificates of qualification for the purposes of the Principal Order;

And whereas it is provided by Clause 8 of the Principal Order that Articles 2 and 10 of the Consolidated Order in Council dated 10th January, 1910, shall be repealed as from the date on which the Principal Order came into operation, and that the other provisions of the Orders recited in the Principal Order should be repealed as from the date on which regulations are made under the Principal Order repealing or re-enacting with or without modifications those provisions;

Now, therefore, the Civil Service Commissioners with the approval of the Treasury make the following regulations.

These regulations prescribe the conditions on which the Commissioners may issue certificates of qualification for admission to any situation or employment in His Majesty's Civil Establishments. These regulations are General Regulations applicable to both sexes and all situations. Words importing the masculine gender or the male sex in these Regulations denote either sex unless specific exception be made in the context.

AGE.

1. Every candidate shall satisfy the Commissioners that he is within the limits of age (if any) already prescribed or hereafter in due form prescribed for the situation or employment to which he desires to be admitted. From the actual age of the candidate such deduction shall be made on account of military service, civil service, or otherwise, as is laid down in regulations for the situation or class or group of situations to which he desires to be admitted.

2. If no limit of age is prescribed by Regulations for the situation or class or group of situations concerned, the candidate shall satisfy the Commissioners that his age is suitable to the duties of the post which he seeks; but no person not already holding an established post shall be appointed to an established situation at an age exceeding 50 without the consent of the Treasury.

3. On the application of the Head of a Department and with the approval of the Treasury, the Commissioners may, if they are satisfied that there is due and sufficient cause, extend the upper prescribed limit of age for any candidate, except in an open competition.

HEALTH.

4. Subject to the provisos appended to this clause every candidate shall satisfy the Commissioners that he is free from any physical defect or disease that would be likely to interfere with the proper discharge of his duties.

Provided that where an officer holding a pensionable situation in any of His Majesty's Civil Establishments is nominated by the Head of a Department for the issue of a certificate of qualification in respect of his promotion in the same Department, or of his transfer to another Department, the Commissioners may, at their discretion, if they see fit, grant their certificate of qualification on being satisfied that he is fully qualified in respect of age, character, knowledge and ability, without requiring evidence as to freedom from physical defect or disease, provided they are satisfied that the situation to which he is promoted or transferred does not require a higher degree of physical capacity than the situation which he already holds.

Provided also that in the case of persons whose health has been impaired by reason of service in His Majesty's Forces during the Great War, the Commissioners may on the conditions and in the manner prescribed by the Order in Council of 22nd March, 1918, Issue modified (War) Certificates and Special Recommendations which shall have effect as laid down in that Order and as if that Order had been part of the Regulations now made under the Order of 22nd July, 1920.

CHARACTER.

5. Every candidate shall satisfy the Commissioners that his character is such as to qualify him for the situation or employment which he seeks.

KNOWLEDGE AND ABILITY.

6. Every candidate shall satisfy the Commissioners that he is qualified in respect of knowledge and ability to discharge the duties of the situation which he seeks.

7. The tests shall be such as are prescribed by the regulations (if any) for the situation or group of situations to which the candidate desires to be admitted.

The normal method of entry will be by means of competitive examinations, according to regulations framed or to be from time to time framed by the Civil Service Commissioners, and approved by the Treasury, open to all persons of the requisite age, health, character and other qualifications prescribed in the said regulations who may be desirous of attending the same upon application made at the time and in the manner prescribed and subject to the payment of the fees from time to time prescribed. Such examinations shall be held at such periods, and for such situations or groups of situations, as the Commissioners with the approval of the Treasury, shall from time to time determine.

8. Where in exceptional cases no regulations have been made prescribing tests for the situation in question, the candidate shall satisfy the Commissioners in such manner as (having regard to the nature of the duties to be performed) they in their discretion may require of his fitness in respect of knowledge and ability for the duties of the post that he is seeking.

9. Where tests are prescribed for any situation, the regulations will lay down whether they shall be qualifying tests of candidates nominated by the Head of a Department, or competitive tests, and if competitive whether among candidates nominated by the Head of a Department or open to all persons who satisfy the conditions prescribed, and whether by examination or by examination and interview or by interview or otherwise.

10. The Commissioners may, if they think fit, dispense wholly or partly with any examination, competitive or qualifying, prescribed for any situation or groups of situations if one or other of the following conditions be fulfilled:—

(a) That the Head of the Department and the Treasury consider after inquiry in the Civil Service that for a particular situation qualifications wholly or in part professional, or otherwise peculiar and not ordinarily to be acquired in the Civil Service, are required. The relevant particulars of every such case shall be published in the *London Gazette* and included in the Annual Report of the Civil Service Commissioners.

(b) That the candidate or group of candidates concerned having been employed in a quasi-permanent capacity on work which has proved to be of a permanent character, and having given throughout a sufficient period of trial proof of fitness to perform the duties required, are put forward with the approval of the Treasury by the Head of the Department for establishment.

(c) That it has been proved to the satisfaction of the Treasury and the Commissioners that the transfer or promotion of an established Civil Servant from one post to another not in customary course of promotion is desirable in the interests of the public service.

In every case falling within any of the classes (a), (b), (c), the Commissioners shall require such evidence as they think desirable to satisfy them of the fitness of the candidate in respect of knowledge and ability.

(d) That the Head of the Department has satisfied the Treasury and the Civil Service Commissioners that the admission of a particular candidate to a specified situation is for special

and exceptional reasons justified by the needs of the public service and the proved merit of the individual. The relevant particulars of every such case shall be published in the *London Gazette* and included in the Annual Report of the Civil Service Commissioners.

REINSTATEMENT AND REDUCTION.

11. In any case in which the Head of a Department with the approval of the Treasury nominates a candidate for reinstatement in the Civil Service or for appointment to a situation inferior to that which he already holds the Commissioners may dispense with any further test of knowledge and ability.

NATIONALITY

12. Every candidate shall satisfy the Commissioners that he or she is a natural-born British subject, the child of a person who is or was at the time of death a British subject.* Provided that exception may be made—

(a) In the case of candidates who are serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of persons who, being British subjects, and having served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918, are serving and have served for not less than six months in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment and are nominated for that established and certificated appointment.

(c) In the case of persons serving in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment, who are nominated for that established and certificated appointment, and who satisfy the rule in respect of nationality for established appointment which was in force when their unestablished service began.

(d) In the case of natural-born British subjects, who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.

(e) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in H.M. Regular Forces.†

(f) In respect of appointment to the Royal Mint and its Branches overseas, in the case of persons who have acquired British nationality by any annexation of territory to the Crown, and in the case of the children of such persons who are themselves of British nationality.‡

If the Commissioners are satisfied in the case of any candidate who is a British subject, but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with H.M. Dominions that an exception may properly be made to that rule, they may accept such candidate as eligible, provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate

* Operative as from 17th January, 1930.

† Operative as from 31st July, 1928.

‡ Operative as from 30th March, 1928.

was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act."

A candidate will not be eligible for assignment or appointment to the Foreign Office or services under the control of the Secretary of State for Foreign Affairs unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those Territories, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs of this regulation, he may be admitted to appointment or competition by special permission of the Secretary of State for Foreign Affairs.

FEEs.

13. Candidates shall pay fees in such manner at such times and in such amounts as the Commissioners with the approval of the Treasury have prescribed or shall from time to time prescribe in regulations or other notice published in the *London Gazette*.

The Commissioners may, with the like approval, exempt from the payment of fees such classes of persons as they may think fit to exempt. Every such exemption shall be published in the *London Gazette*.

The Commissioners, with the like approval, may, by notice in the *London Gazette*, cancel any preceding notice therein, or any part thereof, and may, by such or by any further notice, vary the amount of the fees to be paid by persons attending examinations held by them, or the manner, or the time, of paying such fees, or the classes of persons required to pay them, or exempted from paying them.

REPEAL.

14. Articles 3, 4, 5, 7, 9 and 11 of the Consolidated Order in Council of the 10th January, 1910, and the associated Orders in Council of the 22nd March, 1918, 23rd October, 1918, 18th December, 1918, and 9th December, 1919, are hereby repealed.

Provided that all Regulations and rules for the admission of candidates to situations in the Civil Service made by the Commissioners under the Order in Council of 10th January, 1910, or under other Orders and still in force are hereby confirmed and shall remain in force until fresh or amended regulations or rules are made by the Commissioners under the Orders in Council of 22nd July, 1920, or one of them.

Note as to procedure for settling Regulations for particular situations, classes of situations, or groups of situations.

Subject in both cases to the provisos in Clause 2 of the Principal Order above mentioned,

(a) Regulations as to conditions of entry into any situation, class of situations, or group of situations, peculiar to one Department, will be agreed between the Head of the Department and the Civil Service Commissioners and submitted to the Treasury for their approval.

(b) Regulations as to conditions of entry to any class of situations or group of situations common to two or more Departments will be framed by the Civil Service Commissioners and submitted to the Treasury for their approval.

CIVIL SERVICE COMMISSION,
6th April, 1923.

(12.) ORDER IN COUNCIL OF 28TH JUNE, 1926.

WHEREAS by Article 2 of an Order in Council dated the 22nd July, 1920, it was provided that no person should be appointed to any situation or employment in any of His Majesty's Civil Establishments until a certificate of his qualification had been issued by His Majesty's Civil Service Commissioners:

And whereas it was further provided by proviso (b) to the said Article 2 that it should not be necessary for any person who at the date on which the said Order came into operation held a certificate of qualification from the Commissioners to obtain a new certificate of qualification on being appointed either by transfer or promotion to a situation which, in the opinion of the Commissioners, was similar to the situation in respect of which he already held a certificate or might properly be filled in customary course of promotion from the class or grade of situation in respect of which the existing certificate was issued:

And whereas it is expedient to amend the said Order by substituting a new proviso for the said proviso (b) to Article 2, and to provide that the said amendment shall operate as from the commencement of the said Order:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

The said Order shall have effect, and be deemed always to have had effect, as if the following proviso were therein substituted for proviso (b) to Article 2 thereof:—

"(b) It shall not be necessary for any person to whom at any time a certificate of qualification has been issued and who holds any situation, being either a situation in respect of which a certificate was issued or any other situation to which he was duly transferred or promoted from that situation without a certificate of qualification, to obtain a new certificate on being appointed either by transfer or promotion to a situation which, in the opinion of the Commissioners, is similar to or is such as is normally filled by appointment from the class or grade of the situation which he then holds."

(13.) ORDER IN COUNCIL OF 25TH JULY, 1927.

At the Court at Buckingham Palace, the 25th day of July, 1927.

PRESENT:

THE KING'S Most Excellent Majesty in Council.

WHEREAS it appears expedient to His Majesty, on representations made to Him by the Lords Commissioners of the Treasury, the Lords Commissioners of the Admiralty, the Army Council and the Air Council that the conditions regulating the right of servants of the Crown to become candidates at Parliamentary elections should be made uniform:

NOW, THEREFORE, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1. No person employed by or under the Crown to whom this Order applies shall issue an address to electors or in any other manner publicly announce himself or allow himself to be publicly announced as a candidate or a prospective candidate for election to Parliament for any constituency until he has retired or resigned from such employment.

* Operative as from 31st July, 1928.

2. This Order does not apply :—

- (a) to persons holding political offices ; or
- (b) to officers on the retired or emergency lists of the Royal Navy or Royal Marines or Royal Air Force or to officers and men of any of the auxiliary or reserve forces (including officers in any reserve of officers) as such, except when embodied or called out on permanent or active service or otherwise employed under conditions to be prescribed by regulations made in pursuance of this Order ; or
- (c) to persons employed in an industrial capacity in establishments under the Admiralty, Army Council or Air Council, being establishments certified by the Treasury to be establishments of an industrial or predominantly industrial character, other than persons employed in such supervisory grades as may be specified in regulations made by the department concerned and approved by the Treasury ;

but, save as aforesaid, shall apply to all persons in the naval, military, air or civil service of the Crown, or

otherwise employed by or under the Crown, whether such employment is of a permanent or temporary nature, and whether established or unestablished.

3. For the purpose of this Order, the expression "political office" means any office which is usually held by a member of one or other of the Houses of Parliament, and in relation to officers and men in the naval, military, and air service of the Crown, the expressions "retired or resigned" and "auxiliary and reserve forces" have such meanings as may be prescribed by regulations made in pursuance of this Order.

4. The Lords Commissioners of the Admiralty, the Army Council and the Air Council shall provide for the issue of the necessary regulations for giving effect to this Order so far as it relates to persons in the naval, military and air service of the Crown.

5. Article 16 of the Order in Council, dated the tenth day of January, nineteen hundred and ten, relating to His Majesty's civil establishments and the conditions of service therein, is hereby revoked.

6. This Order may be cited as the Servants of the Crown (Parliamentary Candidature) Order, 1927.

M. P. A. Hankey.

(14.) REGULATIONS DATED THE SIXTH DAY OF JUNE, 1929, MADE BY THE TREASURY UNDER ARTICLE 6 OF THE ORDER IN COUNCIL DATED THE 22ND JULY, 1920, WITH RESPECT TO THE SICK LEAVE PAY TO BE ALLOWED TO CIVIL SERVANTS TO WHOM THE PROVISIONS OF ARTICLE 19 OF THE ORDER IN COUNCIL OF 10TH JANUARY, 1910, HAVE HITHERTO BEEN APPLIED.

In pursuance of Article 6 of the said Order of 22nd July, 1920, the Treasury hereby make the following Regulations :—

1. Sick leave may be granted by the Head of his Department to any officer to whom these regulations apply subject to the following conditions, viz. :—

- (i)—(a) After two days' continuous absence a certificate by a duly qualified medical practitioner shall be furnished stating the cause of such absence ; and further medical certificates shall be furnished from time to time thereafter as may be required by the Head of the Department.
- (b) If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of the ordinary annual holidays allowable.
- (c) Provided there is a reasonable prospect supported by medical certificates of eventual recovery, sick leave on full pay may be allowed for a period not exceeding six months in the aggregate during any period of twelve months, and thereafter sick leave on half-pay, subject always to a maximum of twelve months' sick leave in any period of four years or less. Where sick leave is not continuous, six months' and twelve months' sick leave shall be taken for this purpose as 183 and 365 days respectively, including Sundays and public holidays occurring within a period of sick leave.
- (d) When an officer's sick leave exceeds in the aggregate twelve months during any period of four years or less, no pay shall be allowed during any further sick leave except with the consent of the Treasury.
- (e) Sick leave in excess of twelve months during any period of four years or less shall not be reckoned for the purposes of increment or pension.
- (ii) When the limit referred to in Clause (i) (d) of this regulation has been reached, the Treasury may allow pay during any further sick leave at a rate not exceeding the amount of pension (if any) for which, at the expiration of twelve months' sick leave, the officer would have been qualified, or half pay, if this is less.
- (iii) When full or half pay has once ceased under this Regulation an officer shall not revert to such pay during the same absence on sick leave. Unless an officer is fit for duty, ordinary leave shall not be allowed in immediate succession to sick leave.

- (iv) In the application to the case of officers holding Modified (War) Certificates of the foregoing clauses of these Regulations the following modification shall be made, that for the first five years of service after the date of the certificate any civil pay allowed during sick leave in excess of three months in the aggregate in any year shall be reduced to such amount as, with any pension or retired pay and allowances on account of Great War disability payable in respect of the period of sick leave, will not exceed the full civil pay of the officer in respect of that period.

Provided that where the amount of pension or retired pay and allowances (on account of Great War disability) is calculated by reference to considerations of length of service in addition to disablement, rank and family, the amount to be taken into account shall be limited to the amount of pension or retired pay and allowances, calculated by reference only to disablement, rank and family which would have been awarded to the officer if no considerations of service had been taken into account.

Provided also that in the case of an officer who, if he had retired on the ground of ill-health at the commencement of the period of sick leave, would have been qualified for a pension, if the amount of the reduced civil pay during sick leave is less than the pension which, if he had so retired, would have been payable to him in respect of the period of sick leave, it may, with the consent of the Treasury, be increased to an amount not exceeding the amount of such pension.

2. These Regulations shall be applicable to Civil Servants to whom the provisions of Article 19 of the Order in Council of 10th January, 1910, have hitherto been applied, and shall come into force with effect from the 1st day of February, 1929.
